## **Bones and Skeletons Pre-assessment**

This is a skeleton of a mythical creature. Use this drawing to answer Question 1.

Insert picture from  
page 7 in Teacher's  
Guide

|\_\_\_\_\_|  
1 foot

1. The creature's front teeth are very sharp and pointed. Its back teeth are square and flat.
  - a. What do you think the creature can eat? Explain why you think so.
  - b. How do you think the creature gets food? Explain why you think so.

c. Do you think this creature lives in trees? Explain why you think so.

d. The ribcage is made up of many bones and has a specific shape. Why do you think that is so?

2. How do the skeletal and muscular systems work together?

*Think about parts of each system you might know, their purposes, and how they all work together.*
